

SHE SUES INFORMER COHEN.

He and Two Tenderloin Policemen
Accused of Conspiracy.

Cohen Was One of "Barney"
Martin's Henchmen.

Sarah Browne, a negress, has brought suit for \$5,000 each against Isaac C. Cohen, or Cohen, as he prefers to call himself, and Policemen Cornelius Callahan and James J. Savage, of the West Thirtieth street station, for conspiracy and persecution.

Cohen was one of Police Justice "Barney" Martin's henchmen in the old Seventh District.

Mrs. Browne, who had some money, swore in court that she supported Cohen for seventeen years. When he left her he had \$5,000 of her money, for which she sued him. Then Cohen, who is a police-court hanger-on, threatened to sue her and have her arrested unless she withdrew the suit. She refused, and then Cohen got Callahan and Savage to arrest her for keeping a disorderly house. He appeared as informer, she was held, and later was indicted by the grand jury, but when the facts were laid before a trial jury she was promptly acquitted.

The policemen have asked Corporation Counsel Clark to defend them in the civil action for damages.

Corporation Counsel, as attorney for the police department, must act. He has assigned Assistant Corporation Counsel J. Sweeney to the case.

Callahan and Savage are said to be friends of the informer, Cohen.

DUEL OVER A FALSE WIFE.

Injured Husband May Die of
Wounds Inflicted by Her Lover.

(By Associated Press.)
BOURBON, Ind., March 14.—About three weeks ago J. A. Nichols, of La Paz, a county officer, eloped with Mrs. Mollie Merz, a handsome woman of twenty-four, and wife of James Merz, a wealthy merchant of La Paz, a small town, fourteen miles north of this city. It was supposed that Nichols had gone to Chicago, but he was seen in the city on Monday night, and he was taken to the Yellow River, between Chicago and Leavenworth, about ten miles from this city. The duel took place last evening at 8 o'clock.

Nichols was by far the heavier and stronger man, and Merz could do nothing against him. Nichols stabbed Merz in the chest with a knife, and once in the left arm, and then, throwing away the knife, attacked him with his fists. Merz fell exhausted and dead, and was found by hunters in the dead of the night. He was taken to his home in La Paz, and now lies in a critical condition, and will probably die. Nichols has gone to Canada. Merz's wife is in La Paz.

SHE CARRIED A PISTOL.

Lena Johnson, Highly Excited, Arrested on the Bowery.

Lena Johnson, a well-dressed woman, living at 84 Bowery, was arraigned in the Tombs Police Court to-day on two charges, one of intoxication and the other of carrying concealed weapons.

Policeman Sheehan, of the Mulberry street station, found her on the Bowery last night in a highly excited condition. She was delirious, and as she acted suspiciously he placed her under arrest. When searched at the station a new revolver, fully loaded, was found in a small hand satchel.

In court this morning she cried bitterly. She speaks bad English and between this and her sobs Justice Taintor had a hard time in understanding her story. She said she was married and up to two weeks ago lived in Thirtieth street. Her husband left her. Yesterday, she said, she took two glasses of beer and when she went out she recalled that she was robbed on the Bowery two weeks ago. She said she had the pistol on this account. The police are of the opinion that she wanted to take her life, for she was instructed how to discharge it.

Justice Taintor held her in \$100 bail for carrying the pistol and fined her \$5 for intoxication.

HAD ONLY FOURTEEN CENTS.

But Bruno Expected to Reach
Worcester All Right.

Fourteen-year-old Bruno Ranch was committed in Harlem Police Court to-day to the care of the Gerry Society.

Policeman McDonald, of the West One Hundred and Fifty-second street police station, found the lad at 7 o'clock last evening walking along the Hudson River Railroad tracks at One Hundred and Forty-eighth street. The boy said he was on his way to Worcester, Mass., where his aunt lived.

In court this morning Bruno said he formerly lived at 51 East Eighty-fourth street, a tailor, he said, frequently got drunk and abused him. Two months ago he carried a package to the Pennsylvania Railroad ferry for a Mrs. Andrews, who lives in Ashbury Park, and she offered a home to him. He accepted, but found Ashbury Park too slow, so last Saturday he got on the rear end of a passenger train and "beat" his way to Jersey City. He only had 14 cents when he started.

MANAGER PHILIPP ARRESTED

Charged with Permitting Children
to Appear in a Play.

Adolph Philipp, the author, manager and chief actor of the German plays "The Corner Grocer Avenue A," "The Pawnbroker of the East Side," was arrested last night at the Germania Theatre by Agent Schmidt, of the Gerry Society, charged with allowing Emma and Freda Beck, fifteen and twelve years old, and Charles Metz, fourteen years old, to appear in the latter play.

Philipp would not allow the agent to go on the stage and arrest the children. He admitted they were under age, and said he would take his chances of a fine. He alleges that the children do no acting which places them under the ban of the law.

The boy walks across the stage shouting "Morning papers!" and the girls, it is alleged, do not say anything. They appear during the disappearing scene. Philipp was held for trial.

NURSED BY HIS FIANCEE.

William V. Draper in a Hospital
Suffering from Appendicitis.

William V. Draper, well known in New York society, who has been a patient for the past three weeks in St. Luke's Hospital, where he was operated on on Feb. 24 for an extremely aggravated case of appendicitis, was in a slightly improved condition to-day.

Other physical complications made his condition a most serious one after the operation was performed, but within the past few days Mr. Draper has rallied. It will, however, be several weeks before he can be removed from the hospital.

A pretty little romance is attached to Mr. Draper's condition. A year ago he became engaged to Miss Hurry, a very charming young woman, also a daughter of Mr. and Mrs. Edmund-Vidly Hurry, of 21 West Seventy-third street. Their marriage was set for early in April of this year. When Mr. Draper was taken ill and went to the hospital, Miss Hurry, together with Mrs. Draper and Mr. Draper's aunt, took up their residence at the hospital. The young fiancée was indefatigable in assisting in nursing her future husband during the operation and until all immediate danger was past.

Should Mr. Draper recover strength sufficiently, his marriage with Miss Hurry will be celebrated at the appointed time next month.

The Sunday World's Easter Number, next Sunday. Don't fail to get it. It will be splendidly illustrated and full of striking features and have an illuminated cover.

DECEIVED AND ABANDONED.

Pretty Marcelline Hubert Must
Return to Her Native Country.

Sitting alone and apart from the other immigrants this morning, in the detention pen at Ellis Island, was a very pretty and attractive young French woman. Her name is Marcelline Hubert, twenty-three years old, and she is waiting to be sent back to Europe on the next outgoing French steamer.

Yesterday she was deserted by her lover, Romaine Doudanski, a native of Russia, who said that he had lived five years in this country before he met her. He is a tall, dark, handsome man, and spoke Russian, French and English equally well.

The woman has before the Board of Special Inquiry on two occasions, and told conflicting stories about her past life. She said that she was married to a man named Doudanski, who was a Russian, and that she had lived with him in Russia. She also said that she had been married to a man named Doudanski, who was a Russian, and that she had lived with him in Russia.

She has 20 francs in money and quite an extensive wardrobe. The island authorities said that during her short sojourn on the island, she has worn three different costumes, each very attractive.

When Doudanski was brought before the Board, he admitted his relations with the young woman. He said he might marry her at some future date, but he refused to do so at present. He stated that he was able to support her, being a competent chef and able to do his own work.

The woman was barred as having come here for immoral purposes, but her lover was admitted, although equally as guilty, on account of his prior residence here. He calmly abandoned the woman, and took the boat for New York.

ACCUSED HER HUSBAND.

Mrs. Kramer Upheld Him on
the Street and Had Him Arrested.

Frank Kramer, of 194 Hamilton avenue Brooklyn, was held in Jefferson Market Court to-day on complaint of his wife. She met him at Tenth avenue and Twenty-sixth street, last night, and accused him of having committed adultery with her.

Kramer turned and abused the woman, swearing that he was innocent. The police, Policemen Baier, of the West Twentieth street station, arrested him. The woman said her husband had left her, and she was now alone. She said she was a widow, and she was now alone.

An abandoned woman, she was taken to Governor Hospital. She is thought to be suffering from alcoholism.

WON AND THEN GOT DRUNK.

Elizabeth Leonard Arrested After
Having Reilly Sent to Prison.

Elizabeth Leonard, of 61 Macdougal street, was complainant at the Jefferson Market Court on March 1 against John Reilly, who, with four other men, she charged with criminal assault. The man was held in \$100 bail, and yesterday at General Sessions Court was sentenced to five years in prison.

It is said, celebrated the close of her case by getting drunk. Last night she was arrested by Policemen Baier, and to-day was held for examination by Justice McMahon. It is probable that the justice will place before Judge Fitzgerald evidence which may cause the case to be reopened.

SCALDED HIS MOTHER.

Callahan Was Drunk and De-
manded Money from Her.

Patrick Callahan, twenty-eight years old, of 122 Cherry street, was sent to the island for six months by Justice Kane in the Essex Market Police Court, to-day.

Callahan got drunk last night, and when his mother refused to give him money he threw boiling water over her. He also attempted to assault his father, who was a policeman and caused his arrest.

Taste

has lost lives. In former years people wouldn't take Cod-Liver Oil on account of its bad taste. Now we have

Scott's

Emulsion

the Cream of Cod-Liver Oil, which is palatable and easier on the digestive organs than plain oil, besides being more effective. Physicians, the world over, indorse it.

ANOTHER TUNNEL FIEND.

Dentist Adamson Fined for Insult-
ing Women and Children.

Son of a Navy Officer and Says He
Moves in Good Society.

Another tunnel fiend, who has been acting improperly to women and girls who have occasion to use the Thirty-eighth street entrance to the Park avenue tunnel, was arrested at 4:30 o'clock yesterday afternoon. He is Charles W. Adamson, a dentist, twenty-three years old, of 31 West Thirty-fourth street, and the son of an officer in the United States Navy.

Although these arrests were made and this part of the tunnel was kept under surveillance by the Police of Capt. Martineau's precinct and Chief Inspector H. S. Rühle, of the railroad company, the complaints continued to pour in at the office of the fourth avenue Railroad Company and to the police.

Adamson Miller has been detained, in citizen's attire, to keep a sharp lookout for the fiends.

About two weeks ago Miller caught a glimpse of Adamson in the very act of insulting a woman at the foot of the tunnel stairs, but the woman was too fleet-footed and got away. Adamson on seeing the officer approaching ran through the tunnel, and disappeared in a side street, and there disappeared in the Grand Central Depot.

Yesterday afternoon, at 4:30 o'clock, Miller was standing at the head of the stairs leading to the Thirty-eighth street entrance of the tunnel, when he saw a young and stylishly dressed woman, accompanied by a little girl, descend the stairs and enter the tunnel.

Directly behind her he saw the young dentist. Miller stepped quickly after her and caught him in the very act of insulting the woman. Adamson did not submit to arrest quietly. He tried to break away from the officer, and Miller was compelled to grab him into submission. Adamson then pleaded to be let go, saying that he was a citizen, and that he was a member of the Fourth Avenue Railroad Company.

Justice Voorhis, in the Yorkville Police Court, today, fined Adamson \$5, on the officer's statement.

SEVERING MARITAL BONDS.

Judge McAdam Once More Grinding
on His Divorce Mill.

Judge McAdam in the Superior Court again started his divorce mill this morning. Only two persons, both women, asked that their matrimonial bonds be severed. The first case was that of Marie Pabst. She married for alimony and counsel fees pending the trial of her action against her husband, Kurtz Pabst, who is a dry-goods salesman, and who was arrested on March 31, 1892, and has one child, Helene Schulz, is named as co-respondent. Judge McAdam reserved decision.

Agnes Penelope Lutigen asked to be freed from her husband, Frederick Lutigen, a brother who is a wealthy banker. Joseph Hanley, a janitor at 224 West Seventy-eighth street, and William Livingston testified that Lutigen had been living at the above address with another woman, who passed as his wife. The decree was granted.

STUDENT THIEF CAUGHT.

Prize Scholar and Record-Breaker
Found Hiding Pockets.

(By Associated Press.)
CRAWFORDSVILLE, Ind., March 14.—Church circles here are agitated by a sensation at the Y. M. C. A. Building. For nearly two years the members have been suffering at the hands of a thief, who regularly went through their clothes in the dressing-rooms during the hours of gymnasium drill. Large sums of money and valuables were frequently taken, and the members were kept in a state of alarm.

A secret watch was finally kept on the dressing-rooms and last night, while about forty students of Wabash College were in the drill hall, Paul Shale, of the Freshman Class, was captured in the act of rifling pockets.

Shale is a prize scholar, standing at the head of his class, and is an officer in the college Y. M. C. A. He also holds the State record for several athletic events. He has acknowledged the crimes and will be expelled from college.

EVANCO LOST HIS ARM.

Says Dr. Thomas Wrongly Diag-
nosed His Case.

(By Associated Press.)
PORTCHESTER, N. Y., March 14.—Nicholas Evanco, proprietor of the Slavonian Hotel, in this village, had an arm amputated at Bellevue Hospital, New York City, Monday, as the result of an alleged wrong diagnosis by Dr. A. P. Thomas.

The family of the injured man claim that as soon as Evanco was able to leave the hospital he will be an action in the courts for damages against Dr. Thomas.

Evanco, while being the proprietor of the hotel, was also foreman over a large number of Hungarians in Abend-roth's country. For a long time Evanco complained of a soreness in his right arm. It continued to pain him until Dr. Thomas was called in to attend him.

The doctor immediately diagnosed the case as one of rheumatism, and accordingly treated him for that complaint. Evanco got no relief from this treatment, and several prominent physicians were called in. They pronounced his trouble blood-poisoning, and ordered Evanco removed to Bellevue Hospital.

It is claimed that the treatment Evanco had received had so aggravated his blood-poisoning that it was necessary to amputate his arm to save his life. The arm was amputated, but Evanco is still in a precarious condition.

HELD UP THE ACCUSER.

Graves Had Demanded the Arrest
of His Partner's Robber.

Detectives Michaels and Dale, of the West Forty-second street squad, appeared at the Yorkville Court this morning with two colored men, named Daniel Crump, twenty-eight years old, of 16-1-2 Downing street, and Edward T. Matthews, aged forty-three, of 25 Clark street, whom they charged with having robbed another colored man at a hall of the Charles Sumner Pioneer Corps, Feb. 22 last. The victim was Charles H. Graves, a porter of a Pullman palace car, living at 267 West Thirty-sixth street.

Graves attended the hall, held at the Adelphi Hall, Fifty-second street and Second avenue, with a company of young women. She was the belle of the affair and danced incessantly with different partners.

During a waltz she discovered that one of her gold bracelets was missing, and accused her partner of having stolen it. This at once caused excitement, and the partners withdrew. Graves then and there, and if the bracelet was found on him to hand him into custody.
